

MONROE CHESTER SPORTSMEN'S CLUB

224 Gibson Hill Road, Chester, New York 10918

From: Roy Zucca, President
Monroe Chester Sportsmen's Club

To: All members of the Monroe Chester Sportsmen's Club

The club apologizes for any inconvenience to it's members for the dues payment problem during the month of December. Briefly the company processing our our credit card account dropped the club on November 30th for lack of use. It has taken enormous amount of work and member help to start a new account for 2018. As of Tuesday, January 2 the club account is up and working.

All dues can be paid on line as in the past and the payment period has been extended until January 31, 2018. Any member delinquent after February 15 shall be charged an administrative fee of \$30. Delinquency continuing beyond February 28 shall result in termination of membership.

Four key points to remember when making your online dues payment:

- 1. Update any changes in your profile. All members, including life members, must go online and view their member profile to check their name spelling, address, phone number and email address, and make any corrections needed. Members can also make changes and corrections of their member profile anytime during the year.**
- 2. Check your work hours. When a member has performed his/her work hours the chairperson is responsible to add the hours to the member's profile so the member has credit for the next year's dues.**
- 3. Don't forget to print your new 2018 ID Card after making your dues payment.**
- 4. Members who don't use the online dues payment procedure and mail their dues payment will be subject to an additional \$20 administrative fee.**

All the best for 2018...Roy Zucca, Club President
