

## Monroe-Chester Sportsmen's Club 2019 Military Rifle / M1 Garand Rifle Match Sunday May 26th

This match is a reduced version of the National Match course of fire, based on the need to be “ammunition friendly” in these times of tight supply. As a result, it will have a low round count (26 rounds). The match will be inexpensive and fun and will accommodate any and all shooters from ages 12 to senior.

Match will start with a shooter's meeting and safety briefing at 9:30 AM.

The first relay will commence at 10:00 AM. The final relay will run at 2:00 PM.

During the match the rifle range **will remain open** for shooters not competing in the match.

The match competitors will shoot from the left side of the range. All others from the right side.

The entire range will be under control of the match Range Officer (RO), for **all** shooters.
